

Report on Tree Planation Campaign

Place:	At Poabo Forest and both side of Paobo Dummi Link Road.
Dated:	01-09-2024
Tree planted:	50 tree (Deobdar, Baan, Majnu and Khanor)
Participants:	Chairman HARP, ADVISER, Executive members, CEO HARP Account manager HARP and villagers of Gram Panchayat Dummi

A tree plantation campaign on 01-09-2024 has been initiated at Paobo Forest of Dummi Gram Panchayat, Shimla District of Himachal Pradesh. Total 50 tree saplings of different varieties, such as Deodar, Baan, Majnu, and Khanor, are being planted at Paobo Forest and Paobo-Dummi Link Road on both sides. In this activity, the Chairman of HARP, the adviser of HARP, other executive members of HARP, the CEO of HARP, and the account manager of HARP participated. More than 50 farmers from Dummi Gram Panchayat enthusiastically took part in this activity, showing their commitment to environmental conservation and its sustainability. The collective effort of all participants is sure to have a positive impact on the local ecosystem and contribute to a greener and healthier environment for all. The event also included informative sessions on the importance of tree plantations and sustainable agriculture practices, highlighting the significance of preserving the environment for future generations. The participants were encouraged to continue their efforts in nurturing the newly planted trees and to actively engage in similar initiatives in the future. Overall, the tree plantation drive was a success, fostering a sense of community and shared responsibility towards protecting the environment. The Chairman HARP, DR. RS Ratan, expressed their gratitude to all those involved and expressed hope for a brighter, greener future ahead.
